QUESTIONNAIRE

1. What's more important to you? WINNING TEAM or PLAYING TIME?
2. Do you think equal play time can be accomplished on a competitive team?
3. Do feel if you go to an out of town tournament, the rules of playing your best performers should change because of the expense of travel? Or is it the coaches' job to play to top performers and do what's best for the team regardless of the location of the tournament?
4. If your team has just made 7 points in a row, the score is now tied at 22 and it's time for you to rotate in, do you want your chance to go in as promised or do you want the girls on the court to stay on the court and possibly win the game for the team? GO IN or CHEER ON?
5. Do you think cheering is important?
6. Do you like to stand or sit on the sidelines?
7. Do you think a starting lineup should remain the same? Or change according to performance at practice?
8. Do you think sitting someone out of a tournament is fair if they've missed 2 out of 4 practices?

9. What if they are one of the top performers at tournaments?
10. What do you think is a fair reprimand for players who miss practices, but always show up for tournament play?

11. Who do you think should be the captain of a team? The Middle? Setter? Libero? Person who talks the most? Or should it change?

12. Do you feel that your teammates have to also be your friend?

13. What type of coach do you respond to the best? Yelling, constantly on you, pushing you? Someone who pulls you to the side? Someone who motivates everyone? Explain....

14. Can you handle all coaching personalities?

15. What type of teammate could make you want to quit a team?

What type of coach?
